From M Shama Rao Esq M A

To

Offg Secretary to the Government of H H the Maharaja

Sir

With reference to your No 7811/Edn 347-11-2 dated 24th April 1912 inviting attention to R A Subject No 275 of 1911 regarding selection of standard Text Books and requesting that a full and detailed report may be submitted at an early date I have the honour to inform you that the existing practice is that suitable books are recommended by the Text Book Committee and those approved by the Department for particular standards are notified in the Gazette It is open to schools to use any of the text books so notified The inconvenience complained of is real it must be admitted but it applies to a comparatively small number of cases The question for decision actually would be which is advantageous to sacrifice freedom and variety and save cost or give a certain amount of freedom of choice and variety in teaching Except in individual cases the hardship is not quite usual to merit immediate action as such action can be no other than imposing a complete uniformity This may however need consideration when the Secondary School Leaving Certificate Scheme comes into force

I have the honour to be
Sir
Your most obedient servant
M Shama Rao
